How to use these notes

Where you see this in your Postgraduate Loan Application form it means there's additional information in these notes to help you.

Read these notes - if you don't answer a question or section correctly or you don't include the documents we need this will delay any payments.

Section 3 Your postgraduate course

3.1 Study type and duration

Postgraduate students can study their course over a varying number of years. All full-time course will be split over 1 – 2 years, however, part-time courses can last up to 4 years.

This will mainly affect how much funding you receive each year, as the total amount you choose to borrow will be split over the duration of your course.

The following courses are eligible for funding from us:

- a part-time course lasting three or four academic years which has a two year full-time equivalent course; or

If you're doing a part-time course which is a two year full-time equivalent and you haven't decided how many years you want to study over, you can choose the 'undecided' option. This means we'll set your payments to the same as a 3 year course. You need to let us know if your course details change.
