What details do I need to provide?

You need to tell us some personal details and what your financial income was for the tax year 2021-22. You **must** tell us your 2021-22 income details as we cannot accept amounts from any other tax year. We need your income amounts so we can work out what the student(s) you are supporting are entitled to.

To find out how we'll use the information you provide go to www.gov.uk/studentfinance to read our Privacy Notice before completing this form.

The student may be eligible for a bursary or scholarship. In order for a university or college to determine and pay any bursary or scholarship to which the student(s) you are supporting may be entitled, we will share some of your personal and financial details with them. For more information about this, read our Privacy Notice.

How do I complete this form?

This form is made up of 6 sections:

section 1 - personal details

section 2 - data sharing and you

section 3 - your financial information for tax year 2021-22

section 4 - other income

section 5 - income deductions

section 6 - your dependants

- Start by checking the details in section 1 and then work your way through the form. (Depending on your circumstances you may not need to complete every section)
- Please refer to the support notes at the back of this form each time you see 
- You need to send evidence whenever you see this icon 

What if I have further questions?

If you have further questions you can:

- visit www.gov.uk/studentfinance
- call us on **0300 100 0607**

What happens if my household income has dropped since tax year 2021-22?

If your household income has dropped by 15% since tax year 2021-22 you can apply for a 'Current Year Income Assessment'. This means we would use your expected income for tax year 2023-24 instead of your actual income from tax year 2021-22 when calculating the student's entitlement. However, there must be at least a 15% drop in the overall household income (not just your own income) between these two tax years for us to do this and we will ask for evidence of your 2023-24 income at the end of that tax year. Please refer to the support notes at the back of this form for more information.
